History of the Outdoor Group

The Outdoor Group started in a Church in 2012 to provide camping holidays for people and families that were struggling financially / wanting community holidays.

We supply all the tents and do all the cooking in our dedicated cook tent.

People need to bring with them their sleeping bags and clothes etc.

In December 2016 we became a not-for-profit business so we could serve the wider community.

We organise 3 community camps a year.

We have organised camps for Church Youth Groups; Charities like Mind and The New Hope Trust; School family camps.

The Outdoor Group can organise and tailor a camp to your requirements.

Camping in a group is a great education for children:- they learn to work together as a team, it puts them in touch with nature, away from the digital world, creates challenges that have to be overcome and a great way to experience new activities and learn new skills. Camping builds self-confidence and esteem.

We can tailor a camp to your specific needs to fit in with your educational needs.

Camps

We can run 2 type of camps:-

3 days, 2 night weekend / midweek camp

5 days, 4 nights week camp

Other lengths can be tailored to you needs.

Location is Spring Meadow Farm, Berkhamstead, just off the A41 Chesham turn off.

Facilities

Toilets are modern eco toilets no flush, very clean:

1 lady's

1 gent's

1 urinal

2 hand basins

1 hot shower with plenty of hot water

The farm is set in 30 acres of woodland and meadow.

It has a large barn type building that is heated and can be used for lessons or for quiet time but not for sleeping in.

There is another building that is sometimes used as a cafe with tables and chairs and can be used as an emergency dining room.

There is also an outside stage - a great place for students to practice dance routines or Shakespeare!

There is a dedicated fire pit.

We also bring fire boxes which we put up by the barn on the grass terrace which is the main communal area - the fire is kept going each evening and if necessary in the day.

Camp Kitchen

Our camp kitchen can cook for up to 50 people including vegetarian and vegan.

We do a set menu:

For example:

Breakfast is Full English

Or cereal or porridge

Toast / jam

Lunch is buffet picnic lunch:

Bread

Cheese / ham

Salad

Fruit

Dinner is 2 courses:

A main

And dessert

We pride ourselves that our campers are fed good, wholesome food

Tea / coffee is available all day.
